

25mm AMERICAN REVOLUTION

Introducing a completely new range which really captures the authenticity & raw gritty reality of American War for Independence. Like our American Civil War range, these figures have a number of different head variants per code adding realism to your units. A must for any wargamer & connoisseur of the American Revolutionary period!

INFANTRY - Below can be used as AMERICAN or BRITISH

- AR1 Officer - raised sword
- AR2 Drummer - standing - slung drum
- AR3 Infantry advancing - fixed bayonet (half gaiters)
- AR4 Infantry ramming Musket (half gaiters)
- AR5 Infantry lunging forward - fixed bayonet

INFANTRY - "Valley Forge" types - really scruffy!

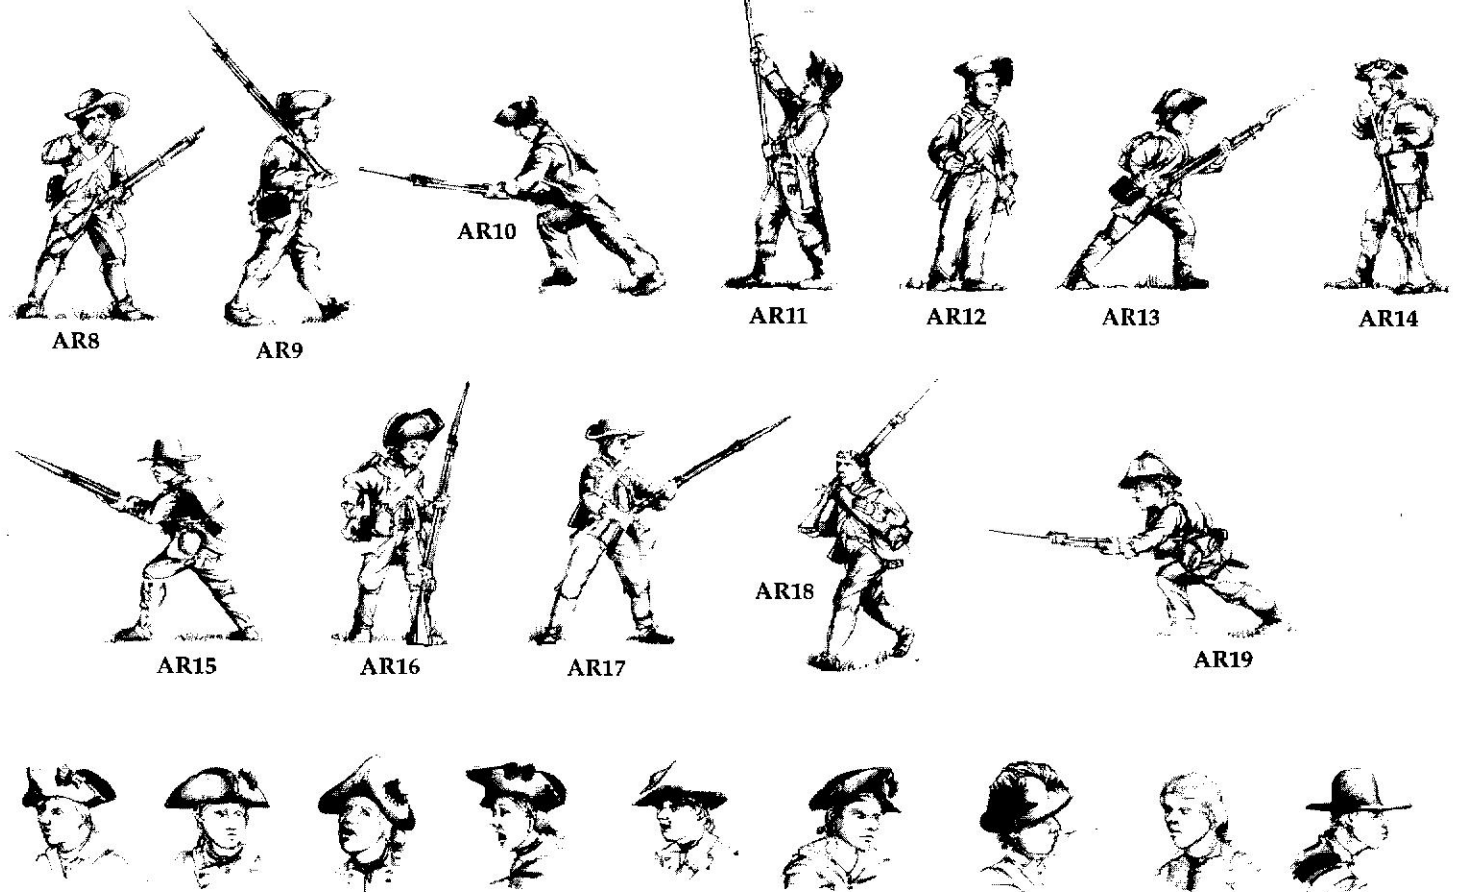

- AR6 Standing firing - long coat
- AR7 Ramming Musket
- AR8 Biting cartridge
- AR9 Marching - shouldered Musket
- AR10 Advancing - leveled Musket & fixed bayonet

INFANTRY

- AR11 Officer / Ensign - raised standard
- AR12 Fifer - standing
- AR13 Infantry advancing - Knapsack - fixed bayonet (half gaiters)
- AR14 Infantry ramming Musket - Knapsack (half gaiters)
- AR15 Infantry lunging forward - Knapsack - fixed bayonet

INFANTRY - "Valley Forge Types"!

- AR16 Reaching into Cartridge box - slung blanket roll
- AR17 At ready - fixed bayonet
- AR18 Marching - blanket roll - shouldered Musket
- AR19 Advancing - blanket roll - leveled Musket

All above figures have a number of different Head Variants per code
 Many of our WOLFE'S ARMY range can be used with the above figures.
 Also our FREDERICK THE GREAT range can be used as German allies to the British.

American Revolution
